## A letter from the Kulinski Family

Dear Applicant,

You are applying for the Henrietta Kulinski Polish Legion of American Veterans Post 189 Memorial scholarship. Before you apply you need to understand why this scholarship was established.

Who was Henrietta Kulinski? Henrietta was a sister, aunt and wife to veterans. My mother, Henrietta was a sister to veterans of World War II, John, Tony and Andy Janeczek, Marcel, my father, a Korean War veteran and the aunt to many of my cousins who are Vietnam War veterans. Mom spent many hours volunteering at the post. She was a past president, and at the time of her death, the sitting President of this beloved PLAV Ladies Auxiliary.

To know my mother, there was no in between, you either agreed or disagreed. There were always three ways of doing things, the right way, the wrong way and Henia's way. My mother had her ways but no matter what, my mother was always about the vets, everything she did involved with Post 189 or the PLAV at a state or national level was due to her love and respect for the men and women who served this wonderful country.

My first memory is when I was volunteering during my Boy Scout years, going to the West Haven Veterans Administration Hospital. We went to play bingo in one of the convalescent wards. In this ward, there were men who had served during WW2, Korea and Vietnam. This was my first visit, and I was nervous. Mom took me by the hand and sat me next to a one of the youngest men in the room. This man, Navy, was suffering from some very severe burns where no matter what the treatment, his skin was constantly shedding. The young man had lost the use of his fingers and could not work the bingo cards. So I helped him play bingo and had a conversation. I did learn that he was involved in some sort of chemical accident where he was never going to heal properly, and he was pretty much confined to the facility due to the level of care he needed. It was there that night that I realized why my mother and father did what they did. Here was a man whose days were full of treatment and repeated routine. This small group of veterans and their ladies auxiliary was there to play bingo and share kielbasa sandwiches. With that simple game and sandwich his daily routine was changed and a little joy was shared. It was all about the veterans.

This scholarship is a continuation of that legacy. I thank the organizers and the participants. Part of the proceeds raised during the annual golf tournament will go into the Scholarship fund, this fund was established in memory of my mother to help the families of veterans defray the cost of a higher education. **Helping Veterans today.** The remaining funds will be used by Post 189 to continue the very good and important work of **servicing veterans from wars past and of future conflicts**
